

# MUFG Bank Sustainability Seminar: Disinvestment, deglobalization, the cost of decarbonization in EMEA and the implications for Asia

We are pleased to announce that MUFG Bank will be hosting an online seminar focused on sustainability trends in the EMEA region and the implications for Asia.

**Date and Time** **June 17<sup>th</sup> (Tue) 2025, 9:00 - 10:00 (BST) / 17:00 - 18:00 (JST)**  
\*Two sessions: 20-minute presentation, 10-minute Q&A for each

## Themes

This seminar will provide color on the core market narratives that are shaping the sustainability ecosystem, with a particular emphasis on the regulatory and competitiveness landscape in the EMEA region (Europe, Middle-East and Africa).  
Our experts will synthesize commonalities in client messaging that they have been hearing, in order to offer stakeholders the latest pulse that is set to influence the outlook in Asia and beyond.

**\*The seminar will be in English, and no translation will be provided.**

## Speakers

### Ehsan Khoman

Head of Research – ESG, Commodities and Emerging Markets, Global Corporate and Investment Banking EMEA, MUFG

### Stephen Jennings

Managing Director & Chief Sustainability Officer for EMEA & Head of Energy, Structured Finance Office EMEA, MUFG

**\*For more details about the speakers, please see the next page.**

**Format/Fee** ZOOM Webinar / Free of Charge

# MUFG Bank Sustainability Seminar: Disinvestment, deglobalization, the cost of decarbonization in EMEA and the implications for Asia

## Ehsan Khoman

Head of Research – ESG, Commodities and Emerging Markets, Global Corporate and Investment Banking EMEA

Speaker  
1

- Ehsan joined MUFG in 2016 and is the Head of Research – ESG, Commodities and Emerging Markets Research (EMEA), based in DIFC Branch – Dubai, UAE. Ehsan leads MUFG's commodities, ESG and emerging markets research.
- He is known for applying easy-to-grasp, research-backed global perspectives that delivers industry-leading thought leadership and actionable recommendations to global clients, institutional investors and wider stakeholders, by leveraging cutting-edge technologies and innovative tools, combining unparalleled local insights, international connectivity and professional integrity. He is one of the leading spokespersons of MUFG's perspectives on ESG, commodities and emerging markets to external audiences through a multitude of media platforms.

## Stephen Jennings

Managing Director / Chief Sustainability Officer for EMEA / Head of Energy, Structured Finance Office EMEA / Head of Sustainable Business Division EMEA

Speaker  
2

- Stephen has over 24 years of project finance and syndications experience and is the Head of Energy in MUFG's Structured Finance Office for EMEA based in London. He leads a team covering Power & Renewables and Natural Resources that specialises in lending and providing market leading Financial Advisory services. Stephen and his team have a strategic focus on Energy transition and have acted in lead roles on complex transactions in sectors such as green ammonia, battery storage, gigafactories and Carbon Capture & Storage.
- As Head of Sustainable Business Division for EMEA he has been influential in co-ordinating MUFG's ESG strategy in the EMEA region, including the establishment of its formal governance frameworks and working closely with MUFG's Head Office to measure the Bank's progress towards its net zero commitments. This resulted in his appointment as the Chief Sustainability Officer for EMEA which is the first regional CSuO appointment for MUFG.
