## TERMS OF BUSINESS RELATING TO INVESTMENT SERVICES TO PROFESSIONAL CLIENTS AND ELIGIBLE COUNTERPARTIES

### 1. **Scope**

1.1 These terms of business (the “**ToB**”) and any schedule(s), as amended from time to time, set out the terms on the basis of which MUFG Bank (Europe) N.V. (“**MUFG N.V.**”) or its German branch (“**MUFG German Branch**”) provides Investment Services to you (and enters into transactions with you). Any reference to “**MUFG**” shall be interpreted as a reference to MUFG N.V. or MUFG German Branch, as the case may be.

1.2 The ToB applies to each contract made between you and MUFG in connection with the Investment Services provided to you by MUFG. If any provision in the ToB conflicts with or contradicts a provision in such contract relating to specific transactions, the latter provision shall prevail to the extent of such conflict or contradiction, and only insofar as it does not conflict with any duty or obligation under Applicable Regulations.

1.3 You should read the contents of the ToB carefully. If there is anything that you do not understand please let us know as soon as possible by contacting your relationship manager at MUFG.

1.4 Unless otherwise provided in the ToB, the General Banking Conditions shall apply to the Investment Services. In the event of any inconsistency between the provisions of the ToB and the General Banking Conditions, the ToB shall prevail. If any provision of the General Banking Conditions conflicts with or contradicts a provision of any contract relating to one or more specific transactions entered into between you and MUFG in connection with the provided Investment Services, the latter shall prevail to the extent of such conflict or contradiction, and only insofar as it does not conflict with any duty or obligation under Applicable Regulations.

### 4. **Investment Services**

4.1 MUFG may provide the following investment services (“**Investment Services**”) to you:

- (a) the reception and transmission of orders in relation to one or more Financial Instruments; and
- (b) the execution of orders in relation to one or more Financial Instruments on your behalf.

In addition, we may deal on own account, meaning that we may enter into transactions with you as a counterparty on a request for quotation (RFQ) basis.

4.2 MUFG may also provide other services than the Investment Services to you if agreed between you and MUFG.

4.3 We will ensure that you receive adequate reports on the Investment Services provided by us (including contract notes, confirmations and client asset statements on the basis set out in this ToB).

4.4 In connection with providing Investment Services, MUFG will make available to you on its website product fact sheets. These product fact sheets describe the nature and risks of the specific type of the Financial Instrument concerned, the functioning and performance of the Financial Instrument in different market conditions, including both positive and negative conditions, as well as risks particular to that specific type of Financial Instrument in sufficient detail to enable you to take investment decisions on an informed basis, and may, if required by Applicable Regulations, also contain proposed investment strategies for you. You are required to read these product fact sheets prior to entering into Transactions. If we provide you with such product fact sheets this is no recommendation to acquire or sell the Financial Instruments described therein.

4.5 You acknowledge that you are aware of the risks relating to entering into transactions and you accept these risks.

4.6 You will notify MUFG without delay of any changes in your situation as this could lead to a different investment objective or different preferences regarding risk taking.

4.7 Any products which fall within the scope of EMIR are subject to the provisions set out in Schedule 2.

4.8 You acknowledge that the Wholesale Foreign Exchange Global Terms of Dealing Transactions apply to dealings in foreign exchange products. The Wholesale Foreign Exchange Global Terms of Dealing Transactions will be available on our website. In case of a conflict between the ToB and the Wholesale Foreign Exchange Global Terms of Dealing Transactions, the terms of the ToB prevail.

4.9 Any Financial Contracts governed by non-EEA law entered into between you and MUFG are subject to the provisions set out in Schedule 3.

### 5. **Capacity**

5.1 In providing Investment Services we generally act as principal and not as an agent on your behalf, but from time to time may act as your agent or arranger. If we act as your agent or arranger – other than in the circumstances set out in Section 11.3 below - we will agree this with you separately.

5.2 In your dealings with us, you act as principal and not as an agent (or trustee) on behalf of someone else.

## 6. **No advice**

6.1 We do not provide personal recommendations, and in particular we do not provide investment advice or portfolio management investment services (as defined in Applicable Regulations) or any advice on the merits or suitability for you of particular transactions or Investment Services, or their taxation consequences.

6.2 In asking us for transaction related information, or where you enter into any transaction with us, you represent that you have been solely responsible for making your own independent appraisal and investigations into the risks of the transaction. You represent that you have sufficient knowledge, market sophistication, professional advice and experience to make your own evaluation of the merits and risks of any transaction. We give you no warranty as to the suitability of the transactions.

6.3 If you are a Professional Client then we are entitled to assume that you have the necessary experience and knowledge in order to understand the risks involved in relation to the particular Investment Services or Transactions, or types of Transaction or Financial Instrument, for which we have classified you as a Professional Client. If you are an Eligible Counterparty there is no requirement on us to consider whether any Investment Service, Financial Instrument or Transaction is appropriate for you. We will therefore not conduct an appropriateness assessment on you unless you are a Professional Client that we have opted up.

6.4 Where we provide general trading recommendations, market commentary or other general advice or information:

- (a) this is incidental to your relationship with us. It is provided solely to enable you to make your own investment decisions and does not amount to a personal recommendation or advice;
- (b) we give no representation, warranty or guarantee as to the accuracy or completeness of such information or as to the tax consequences of any transaction;
- (c) where information is in the form of a document containing a restriction on the person or category of persons for whom that document is intended or to whom it is distributed, you agree that you will not pass it on contrary to that restriction; and
- (d) we do not make representations as to the time of receipt by you and cannot guarantee that you will receive such information at the same time as other clients. Any published Research or recommendations may appear in one or more screen information services.

## 7. **Product governance**

If we act as manufacturer or distributor of a product, where you onward distribute that product you shall use reasonable endeavours to ensure that:

- (a) you distribute within any target market we have identified;
- (b) you ascertain the target market and provide the target market to any third party distributors you distribute that product to; and
- (c) your distribution of that product is limited to the target market that we have provided or that you have identified and, where necessary, you will provide us with any relevant information required under Applicable Regulations.

## 8. **Client Categorisation**

8.1 Your classification in all our dealings with you will be an Eligible Counterparty or a Professional Client, as stipulated in the covering letter, or electronic mail (as applicable), that accompanies the ToB.

8.2 If you have been classified by us as an Eligible Counterparty, you have the right to request a different client categorisation offering a greater level of regulatory protection at any time. Such request should be made to us in writing and should relate to the entire relationship with us.

8.3 If you have been classified by us as a Professional Client and you request to us in writing to treat you as an Eligible Counterparty and we agree to such categorisation, we would no longer be required by Applicable Regulations to provide certain protections granted to Professional Clients. The regulatory protections concerned include requirements in the following areas:

- (a) to act in accordance with your best interests;
- (b) in certain contexts to provide enhanced information to you before providing services;
- (a) to consider whether any Investment Service, Financial Instrument or Transaction is appropriate to you;
- (b) to achieve Best Execution in respect of your orders; and
- (c) to execute orders subject to other constraints as regards timing and handling relative to other clients' orders.

8.4 If you have been classified by us as a Professional Client not based upon your request, you may request treatment as a Retail Client. To such a request we, upon our sole discretion, may or may not agree. If you request to be categorised as a Retail Client we will not provide Investment Services to you on the basis of the ToB. Instead, the Terms of Business for Retail Clients will apply in such case.

8.5 If you would otherwise be categorised as a Retail Client and we treat you as a Professional Client at your written request (this is referred to as opting up), MUFG will provide Investment Services to you treating you as a Professional Client under the ToB. We can only opt you up, upon your written request, if certain criteria are met and certain procedures are followed. We must carry out an adequate assessment of your expertise, experience and knowledge to satisfy ourselves that you are capable of making investment decisions and understanding the risks involved. Professional Clients typically have greater knowledge and experience of investing in financial markets and a higher appetite for risk, and are given a lesser degree of protection under Applicable Regulations. However, even if we opt you up we do not assume that you have market knowledge and experience like Eligible Counterparties. You agree and acknowledge that you are responsible for keeping us informed about any change that could affect your categorisation as an opt-up Professional Client (former Retail Client). If you are classified as a Professional Client based on your request, you have a right to request MUFG in writing to change your client categorisation to a Retail Client, to which we will consent. In such case, we will not provide the Investment Services on the basis of the ToB. Instead, the Terms of Business for Retail Clients will apply in such case.

8.6 MUFG may require reasonable verification of your, or your employees', officers' or associates', identity, which you agree to provide. MUFG may also request or obtain (including but

- not limited to) additional information in relation to the ownership structure, credit standing and business conduct of you and those connected with you. If MUFG is not satisfied with the information provided, MUFG may request additional information. MUFG has no obligation to provide the Investment Services contemplated by the ToB and may not provide any such services until verification procedures have been completed to the satisfaction of MUFG. MUFG may in any event rely on any information provided by you and will not be required to verify the correctness and completeness of such information for the purpose of providing the Investment Services.
- 8.7 You may, at any time, request MUFG in writing to change your client categorisation. Such a request must relate to the entire relationship with us. MUFG can reject the request if deemed inappropriate (unless you opt to be graded down) or if accepting such a request is not permitted by any Applicable Regulations.
- 8.8 You undertake to forthwith report any changes that lead to a change in your client categorisation, as it is described in the covering letter, or electronic mail (as applicable), to MUFG in writing.
- 8.9 Categorisation for the purposes of compliance with the requirements of the EMIR is addressed in Schedule 2.
9. **Appropriateness assessment**
- 9.1 In accordance with Applicable Regulations, the provisions of this clause 9 apply solely to clients classified as Professional Clients and do not apply to Eligible Counterparties or any clients treated as Eligible Counterparties (following an opt-up).
- 9.2 MUFG may assume that you (as Professional Client) have the necessary experience and knowledge in order to understand the risks involved in relation to the product or Investment Services you are seeking from us. If we do not make such assumption and obtain certain information from you and on the basis of that information are satisfied that you have the necessary experience and knowledge there is no requirement on us to communicate this to you. Where a bundle of Investment Services or products is envisaged between us then our assessment may consider whether the overall bundled package is appropriate for you.
- 9.3 You will undertake to provide to MUFG at its request all information regarding your knowledge and experience as to enable MUFG to assess the appropriateness of the Investment Services (where applicable). In order to establish whether the Investment Services are appropriate for you, you may be required to fill out an appropriateness questionnaire.
- 9.4 You represent and warrant that all information provided for the above referenced assessment is complete and accurate in all material respects, otherwise MUFG will not be able to determine whether the Investment Services are appropriate for you (where applicable).
10. **Conflicts of interest**
- 10.1 The summary of the MUFG Policy on Conflicts of Interest which explains how MUFG defines and deals with conflicts of interest can be accessed on our website.
- 10.2 You acknowledge that MUFG provides services in respect of a range of investment related activities to a number of different clients and accordingly that MUFG may have an interest, relationship or arrangement that is material in relation to a transaction effected with or for you or that could give rise to a conflict of interest.
- 10.3 You agree that MUFG does not have a duty to disclose any matter which comes to its notice in the course of its business if doing so would constitute a breach of duty or confidentiality (as the case may be) owed under the terms of any other arrangement or agreement entered into with a third party (including other MUFG's clients), or such disclosure would otherwise be in breach of any regulatory or legal obligations. In such circumstances MUFG may refuse to act in a situation where it is unable to resolve the conflict or disclose it to you.
- 10.4 You agree that MUFG and any Connected Company may therefore effect transactions in which MUFG or a Connected Company or another client of MUFG or a Connected Company has, directly or indirectly, a material interest or relationship of any description with another party which involves or may involve a potential conflict with our duty to you, where that conflict has, in MUFG's reasonable opinion, been managed effectively.
11. **Instructions**
- 11.1 You may give us instructions in writing, orally (including by telephone) or by other electronic communication received by us that has been transmitted subject to proper test or security procedures (including, for example, Bloomberg) unless we tell you that instructions can only be given in a particular way. If you give instructions by telephone, your conversation will be recorded, as set out in clause 20. Unless otherwise agreed, e-mail or other electronic messages in respect of each instruction for general trading will only be accepted if specifically acknowledged by us. With the exception of telex and SWIFT messages, no settlement instructions will be accepted by e-mail or other electronic means unless otherwise agreed. If any instructions are received by us by telephone, computer or other medium we may ask you to confirm such instructions in writing. We shall be authorised to follow instructions notwithstanding your failure to confirm them in writing. In the ToB "instructions" and "orders" have the same meaning.
- 11.2 You authorise MUFG to rely and to act without further enquiry on any order, instruction or communication (regardless of how received or by whatever means transmitted) which purports to have been given by you or your agents or employees and which has been reasonably accepted by us in good faith.
- 11.3 You agree that you will be responsible for and bound by any contract or obligations entered into by MUFG or assumed by MUFG on your behalf in consequence of or in connection with your order or instructions.
- 11.4 We can only cancel your instructions if we have not acted upon those instructions. Instructions may only be withdrawn or amended by you with our consent.
- 11.5 Your instructions are an offer to MUFG to enter into an individual Investment Services agreement for his specific Investment Service with us. MUFG may at any time, and without any liability on its part, refuse to act upon, execute or otherwise implement any instruction or request from you without giving any reason for such refusal. MUFG will notify you promptly of any such non-acceptance of your offer or refusal.
- 11.6 MUFG may, at its sole discretion, act upon instructions given by you by telephone, provided that instructions by telephone shall promptly thereafter be confirmed in writing by you upon request by MUFG. You agree to indemnify and hold MUFG harmless for any failure by you to send such a confirmation in writing or the failure of such confirmation to confirm the telephone instructions received.
- 11.7 We have the right (but no obligation) to set limits and/or parameters to control your ability to place orders at our

absolute discretion. Such limits and/or parameters may be amended, increased, decreased, removed or added to by us at our absolute discretion and may include (without limitation): (i) controls over maximum order amounts and maximum order sizes; (ii) controls over our total exposure to you; (iii) controls over prices at which orders may be submitted (to include (without limitation) controls over orders which are at a price which differs greatly from the market price at the time the order is submitted to the order book); (iv) controls over any electronic services (to include (without limitation) any verification procedures to ensure that any particular order or orders has come from you); or (v) any other limits, parameters or controls which we may be required to implement in accordance with Applicable Regulations.

## 12. **Execution Arrangements**

- 12.1 In accordance with Applicable Regulations, the provisions of this Clause 12 apply solely to clients classified as Professional Clients. In order for MUFG to determine whether you are a Professional Client that may legitimately rely on MUFG to protect your interest in relation to among others pricing, MUFG will perform a general assessment of the Four Fold Test upon your onboarding as a client. Based on that outcome MUFG will determine whether you can legitimately rely on the MUFG's protection in relation to pricing and other elements.
- 12.2 MUFG has in place arrangements to enable MUFG to obtain the best possible result for clients, within the terms of MUFG's the "Summary of the Best Execution Policy" published on our website.
- 12.3 You confirm that you have read and accepted the Summary of the Best Execution Policy. A request for quote shall substitute your agreement and acceptance of the terms of the policy. We will notify you of any material changes to this policy. We will not notify you of non-material changes to this policy.
- 12.4 Where we execute orders in Financial Instruments on your behalf, we will take all sufficient steps to obtain the best possible result by following the Summary of the Best Execution Policy, subject to any specific instructions received from you.
- 12.5 Where you provide us with specific instructions, including specifying the characteristics of a bespoke product, either relating to an order or a particular aspect of an order, we will execute the order in accordance with those instructions. Accordingly, the Summary of the Best Execution Policy will not apply in that case. We will deem orders received via direct market access systems as specific instructions.
- 12.6 We shall use our reasonable endeavours to execute any order promptly, but in accepting your orders we do not represent or warrant that it will be possible to execute such order or that execution will be possible according to your instructions. We shall carry out an order on your behalf only when the relevant Market is open for dealings, and we shall deal with any instructions received outside Market hours as soon as possible when that relevant Market is next open for business (in accordance with the rules of that Market). Where required, you will agree that we may execute an order on your behalf outside a Market. MUFG only accepts orders on a very limited basis.
- 12.7 Please note that it is common market practice for banks such as MUFG when executing transactions to deal with you on a proprietary basis by providing quotes at your request.
- 12.8 MiFID II requires us to request your consent to your orders relating to Financial Instruments being executed by us outside a regulated market, MTF or OTF. You are required to provide us with your consent by signing and returning client on-boarding form investment services.

## 13. **Aggregation and allocation**

MUFG may aggregate orders in Financial Instruments executed for your account with orders for the account of other

clients or our Connected Companies or clients of our Connected Companies or for our own account. MUFG will allocate such transactions on a fair and reasonable basis subject to Applicable Regulations. You recognise that each individual aggregated transaction may operate to your advantage or disadvantage.

## 14. **Confirmations**

14.1 MUFG will send you confirmations in accordance with Applicable Regulations for any Transactions that we have executed on your behalf, by electronic mail to the e-mail address on record for you, or by such other means agreed between you and us. In addition to providing you with confirmations we shall, on your request, provide you with information about the status of your order.

14.2 It is your responsibility to notify us in writing of any change to contact information including your e-mail address, the non-receipt of a confirmation, or whether any confirmations are incorrect before settlement. Confirmations shall, in the absence of manifest error, be conclusive and binding on you, unless we receive from you objection in writing within two business days of despatch to you or we notify you of an error in the confirmation within the same period.

14.3 If you are a Professional Client, you may request us to provide you with post-trade reports for any Transactions that we have executed on your behalf.

## 15. **Performance and settlement**

15.1 You will promptly deliver any instructions, money, documents or property deliverable by you under a transaction in accordance with that transaction as modified by any instructions given by us for the purpose of enabling us to perform our obligations under the relevant matching transaction on a Market or with an intermediate broker.

15.2 In relation to transactions with MUFG only, all transactions are settled on an actual settlement basis. We are not obliged to settle transactions or account to you unless and until we (or our settlement agents) have received all necessary documents or money. Where we settle transactions for you, delivery or payment by the counterparty is entirely at your risk. Unless otherwise specifically agreed with you, settlement shall be carried out in accordance with market practice and Applicable Regulations.

15.3 We may require you to limit the number of open positions which you may have with us at any time and we may in our sole discretion close out any one or more transactions in order to ensure that such position limits are maintained.

15.4 If we act in the capacity of a systematic internaliser and we make public firm quotes in certain transactions, in accordance with Applicable Regulations, you agree that we may limit:

15.5 the number of transactions that we undertake to enter into with you at the published quote; and

15.6 the total number of transactions that we undertake to enter into with other clients at the published quote.

15.7 Where we grant access to quotes provided by us in our capacity as a systematic internaliser, and the quoted size is at or below the size specific to the financial instrument, we may enter into a transaction with any other client to whom the quote is made available, in accordance with Applicable Regulations. Further information can be found on our website.

## 16. **Charges**

16.1 You shall pay our charges; any taxes imposed by any competent authority on any account opened or transaction

- 16.8 effected by or cleared for you; any fees or other charges imposed by a Market or any clearing organisation; interest on any amount due to us at the rates then charged by us; and any other value added or other applicable taxes of any of the foregoing, including any withholding tax. Any alteration to charges will be notified to you at or before the time of the change. You should be aware of the possibility that other taxes or costs may exist that are not paid through or imposed by us.
- 16.9 If you fail to pay any amount on the date on which it is due and payable to us, MUFG reserves the right to charge you interest on any such amount from the date of such failure to pay until the date of actual payment. Interest will accrue on a daily basis and will be due and payable by you as a separate debt.
- 16.2 MUFG has a fee sharing arrangement in place with MUSE whereby commission payable by Professional Clients and Eligible Counterparties to MUSE is shared where MUFG refers you to MUSE. MUFG will only refer you to MUSE in circumstances where MUFG is unable to facilitate for you an investment in a Financial Instrument that MUSE can provide. You are free to decline the services of MUSE. The proportion which MUFG receives is worked out according to how much MUFG has contributed towards providing you with the service which you receive from MUSE, taking into account Applicable Regulations and the conditions set out in clause 16.4.
- 16.3 In addition to the costs referred to in clause 16.1, additional costs as agreed with you from time to time in writing may be payable by you by virtue of the fact that a contract is entered into via email, telephone or by other electronic means.
- 16.4 In accordance with Applicable Regulations, the provisions of this clause 16.4 apply solely to clients classified as Professional Clients. MUFG is not permitted to accept or retain any fees, commissions, monetary or non-monetary benefits (each an inducement) paid or provided by a third party in relation to Investment Services provided by us to you. We are similarly not allowed to pay or provide any inducement to any third party in relation to the provision of Investment Services to you. We can only accept or retain or pay or provide such inducements if they meet certain conditions as provided for in Applicable Regulations. These conditions provide that the inducement must not impair compliance of our duty to act honestly, fairly and professionally in accordance with the best interest of its clients, must not lead to a conflict of interest and it must enhance the quality of the relevant service to you. We must also make disclosures about the inducement to you before we provide the relevant Investment Service to you. Before we provide you with Investment Services we will disclose to you information on inducements and this will include a generic description of minor non-monetary benefits. Other non-minor benefits will be priced and disclosed separately. If we cannot ascertain in advance the amount of any payment or benefit to be received or paid, we can disclose to you the method of calculating that amount and we will provide you with information on the exact amount after the payment of the benefit after it has been paid or received. We will also inform you at least once a year on an individual basis about the actual amount of payments or benefits received or paid.
- 16.5 Where permitted by Applicable Regulations, we may receive remuneration from, or share charges with, an associate or other third party in connection with transactions. Where such arrangements directly affect the business you undertake with us, we will notify you of the nature and amount of such fees, commissions or benefits, excluding minor non-monetary benefits.
- 16.6 Any charges due to us plus any applicable value added tax may be deducted from any funds held by MUFG on your behalf or, at our discretion, shall be paid by you as stated in the relevant contract note or advice at settlement.
- 16.7 All amounts payable will automatically be debited from your Cash Account on the due date if applicable, unless otherwise agreed upon between you and MUFG.
- 16.9 Interest will not be payable to you in respect of any money that MUFG holds for you (including, in particular, funds received in advance of the due date for settlement), unless specifically agreed by MUFG in writing.
17. **Client Money and Financial Instruments**
- 17.1 MUFG is an authorised credit institution licensed to conduct deposit business and subject to supervision by the Authorised Regulators.
- 17.2 You may withdraw any money held in an account with MUFG pursuant to the ToB at any time, subject to MUFG's account withdrawal procedures and unless limitations have been set in accordance with an agreement thereto between you and MUFG.
- 17.3 In accordance with Applicable Regulations, we may hold your Financial Instruments in account(s) with one or more third parties.
- 17.4 The third party may hold your Financial Instruments in an omnibus account and, if there is a shortfall in that omnibus account, you may not recover all of your Financial Instruments.
- 17.5 MUFG is subject to the deposit guarantee scheme and investor compensation scheme as provided for in the DFSA and in the Special Prudential Measures, Investor Compensation and Deposit Guarantees Decree (*Besluit bijzondere prudentiële maatregelen, beleggerscompensatie en depositogarantie Wft*). These schemes apply both to MUFG N.V. and the MUFG German Branch. If you qualify as an eligible depositor, you may be entitled to the rights that follow from the regulations as referred to in the previous sentence. For more information, we refer you to the website of MUFG where you can read the Depositor Information Leaflet or the Dutch Central Bank (*De Nederlandsche Bank*) who manages the Deposit Guarantee Scheme.
18. **Communication**
- 18.1 Communication between us, including communication relating to Investment Services provided to you, may be in writing, by email or other electronic means, or orally (including by telephone), although we are required under Applicable Regulations to provide certain information in electronic format only. Except where otherwise agreed, the language of communication shall be English, Dutch, German or Japanese, and you will receive documents and other information from us in English.
- 18.2 Correspondence to you may be sent by MUFG to the address last notified by you or, in the absence thereof, to your last place of ordinary residence. You must inform MUFG of the address to which notices may be sent. It is your responsibility to notify MUFG in the event of a change of address. On notification MUFG shall make the necessary changes to your account as quickly as is possible.
- 18.3 MUFG may provide information in a durable medium (other than paper) or via our website. Specifically, we may provide the following information to you via our website, where relevant and in accordance with Applicable Regulations:
- (A) the ToB;
- (B) the summary of MUFG's Conflicts of Interest Policy;

- (C) any changes to the methods of communication to be used between us, including but not limited to how we receive orders or requests for quotes;
- (D) a general description of the nature and risks of Financial Instruments in the product factsheets; and
- (E) the summary of MUFG's Best Execution Policy; and
- (F) the Wholesale Foreign Exchange Global Terms of Dealing Transactions.
- A paper version of such information may be made available to you upon request.
19. **Data protection**
- Our privacy notice, which explains how MUFG processes client-related personal data, can be found on our website: <https://www.mufgemea.com/governance/privacy-notice/>
20. **Recording**
- Telephone conversations between MUFG and you may be recorded without the use of a warning tone. A copy of the recording of such conversations will be available upon request for a period of five years and, where requested by any Authorised Regulator, for a period up to seven years. Such records may be used to monitor compliance with relevant rules and regulations, confirm instructions received and MUFG may otherwise have recourse to such recordings for the purposes of resolving any dispute, complaint or investigation from you or on your behalf or on behalf of any other person.
21. **Complaints**
- If you have any complaint about MUFG's conduct or performance under these arrangements, please email your complaint to the following email addresses (based on your location) where the nature of your complaint will be investigated:

22. **Indemnity and Limitation of Liability**

- 22.2 Neither MUFG German Branch nor its directors, officers, employees, or agents shall be liable for Loss for simple negligence (*einfache Fahrlässigkeit*) unless being related to the breach of a material contractual duty (*vertragswesentliche Pflicht*). Material contractual duties are duties which must be fulfilled to render possible the proper execution of the contract and on the observance of which the other party may regularly rely on (e.g. fulfilment of orders in a contractually agreed manner). If and to the extent MUFG German Branch is liable, our liability is in any case limited to the typically foreseeable damage (*vorsehbare, typischerweise eintretender Schaden*).
- 22.3 In no circumstance, shall we have any liability for Loss suffered by you or any third party for any special or consequential damage, loss of profits, loss of goodwill or loss of business opportunity arising under or in connection with the ToB, whether arising out of negligence, breach of contract, misrepresentation or otherwise.
- 22.4 Nothing in the ToB will limit our liability for (i) gross negligence, (ii) wilful default, (iii) fraud, or (iv) death or personal injury resulting from our negligence.
- 22.5 Without limitation, we do not accept liability for any adverse tax implications of any transaction whatsoever.
- 22.6 We shall not be liable to you for any partial or non-performance of our obligations hereunder by reason of any cause beyond our control (*overmacht* or *Höhere Gewalt*), including without limitation any breakdown, delay, malfunction or failure of transmission, communication or computer facilities, industrial action, act of terrorism, act of God, pandemics, acts and regulations of any governmental or supra national bodies or authorities or the failure by the relevant intermediate broker or agent, agent or principal of our custodian, sub-custodian, dealer, Market, clearing house or regulatory or self-regulatory organisation, for any reason, to perform its obligations.
- 22.7 We shall not be liable for any loss or expenses which may result by reason of any delay or change in market conditions before any particular transaction has been effected.
- 22.8 Without prejudice to any other provisions of the ToB and to the extent permitted by Applicable Regulations, you hereby undertake to ratify all acts that we carry out in the proper performance of the services under the ToB and you agree to hold us harmless and indemnify us and keep us indemnified against all actions, proceeds, claims, costs, demands and expenses which may be brought forward against, suffered or incurred by us. You shall pay to us such sums as we may, from time to time, require in or towards satisfaction of any debit balance on any of your accounts with us and, on a full indemnity basis, any losses, liabilities, costs or expenses (including legal fees), taxes, imposts and levies which we may incur or be subjected to with respect to any of your accounts or any transaction or any matching transaction on a Market or with an intermediate broker or as a result of any misrepresentation by you or any violation by you of your obligations under the ToB (including any transaction) or by the enforcement of our rights.
23. **Joint and Several Liability**
- Where the ToB apply in relation to a partnership or otherwise by or on behalf of more than one person, any liability arising hereunder shall be deemed to be the joint and several liabilities of the partners in the firm or of such persons as aforesaid. The ToB shall not be terminated or prejudiced or affected by any change in the constitution of such partnership or by the death of any one or more of such persons. MUFG shall be entitled to accept instructions and give receipts and for all purposes deal with any one of such persons as agent to all of them.
24. **Authorities and Consents**
- 24.1 You warrant and represent to MUFG that:
- (a) you are duly incorporated or established under the laws of your place of incorporation or establishment;

- (c) the ToB have been duly accepted and constitute your valid, legal and binding obligations;
- (d) you have obtained, and will maintain in effect, in relation to all transactions, all necessary consents of any governmental or other regulatory body or authority applicable to each transaction, and that you will comply with the terms of the same and all applicable laws, regulations and directives of such bodies and authorities. You will forthwith on demand by MUFG deliver to MUFG copies of all such consents or such other evidence of any such consents and such evidence of compliance with such and with any such laws, regulations and directives as MUFG may reasonably require;

- (f) any information which you provide or have provided to us in respect of your financial position, domicile or other matters is accurate and not misleading in any material respect;

Any waiver or release of a party's rights under the ToB must be granted specifically in writing by the party granting it. MUFG's rights and remedies provided for in this document are cumulative and not exclusive of any rights of lien, sale, setoff or retention or other rights or remedies provided by law, statute or otherwise howsoever. Each party may exercise each of its rights as often as it thinks necessary.

You cannot assign any rights and obligations under the ToB and any transactions entered into pursuant hereto may not and cannot be assigned without MUFG's prior written consent.
27. **Rights of third parties**  
A person who is not a party to the ToB or any transactions entered into pursuant to it has no right to enforce any term of such agreement, except as otherwise expressly provided in the ToB.
28. **Severability**  
Each provision of the ToB is severable and, if any provision is or becomes invalid or unenforceable or contravenes any applicable law or rules and regulations of the appropriate regulatory authority, the remaining provisions shall remain valid and enforceable.
29. **Confidentiality**  
29.1 Neither party shall disclose to any person, unless required to do so by any applicable law or by any regulatory or supervisory authority (including the Authorised Regulators) or by any other person entitled by law to require disclosure, or to enable it properly to perform its obligations under the ToB, any information relating to the business, investments, finances or other matters of a confidential nature of the other party of which it may in the course of its duties or otherwise become possessed, and each party shall use reasonable endeavours to prevent any such disclosure.  
29.2 By accepting the ToB, you authorise MUFG to disclose such information relating to you as may be required by any law, rule or regulatory authority (including the Authorised Regulators) without prior notice to you. 1.3 Where a person enters into a Derivative with us as agent for and on behalf of a client, investor, fund, account and/or other principal, the references to "you" in this Derivatives Compliance Schedule shall be interpreted to refer to such principal.

#### 2. Representation

2.1 You represent and warrant on the day you accept this Derivatives Compliance Schedule, such representation and warranty will be deemed to be repeated by you each time you enter into a Derivative and at all times while such Derivative remains outstanding that you are (as applicable):

- (a) a financial counterparty ("FC") referred to in article 2(8) of EMIR; or
- (b) a non-financial counterparty referred to in article 10 of EMIR that exceeds the clearing threshold or does not calculate its positions ("NFC+"); or
- (c) a non-financial counterparty referred to in article 10 of EMIR that does not exceed the clearing threshold ("NFC-").

each of the above under (i) and (ii) shall include an entity established outside the EEA which would have been a financial counterparty or a non-financial counterparty referred to in Article 10 of EMIR if you had been established in the EEA, but to whom EMIR applies either in whole or in part.

#### 3. Confirmation of Uncleared OTC Derivatives

#### 4. Portfolio Reconciliation

4.1 From time to time we will notify you of a schedule of dates as of which portfolio reconciliation is to be carried out with respect to the Uncleared OTC Derivatives outstanding between you and us. Each date so notified is a "Portfolio Reconciliation Date".

4.2 We will be designated a "Portfolio Data Sending Entity" for the purposes of portfolio reconciliation and you will be designated to be a "Portfolio Data Receiving Entity". We or you may change this designation at any time by written agreement between us (such agreement not to be unreasonably delayed and for this purpose the parties agree, without limitation, that it will not be unreasonable for a party to delay agreement where agreement would result in the other party having different designations in respect of such party and one or more affiliates of such party) and we shall notify you of how clauses 4.4 to 4.6 of this Derivatives Compliance Schedule shall be modified to give effect to the change.

4.3 We will make reasonable endeavours to ensure that we perform a portfolio reconciliation exercise with you as set out in the table below. Where two Confirmation Deadlines are applicable to you, the earlier Confirmation Deadline shall apply.

On that day you must undertake a comparison of the Portfolio Data against your own books and records in order to identify promptly any misunderstandings of key terms.

4.7 If you identify one or more discrepancies which you consider, acting reasonably and in good faith, are material to the rights and obligations of the parties, you must notify MUFG in writing as soon as reasonably practicable and the parties will consult with each other in good faith to resolve such discrepancies in a timely fashion for so long as such discrepancies remain outstanding.

4.8 If you do not notify MUFG of any discrepancies by 16:00 Amsterdam time on the fifth business day following the date on which MUFG sent the Portfolio Data, you will be deemed to have affirmed such Portfolio Data.

4.9 MUFG may delegate performance of portfolio reconciliation to a third party and by agreeing the ToB you give consent to reconciliation by these means. Or, you may delegate performance of this obligation to a third party if MUFG agrees to this. To the extent required, you shall inform and/or obtain consent of individuals whose personal data will be transferred to such third party.

- (c) With respect to any Dispute that is not resolved within five business days, escalate issues internally to appropriately senior members of staff (or equivalent) in addition to actions under (b) above.

5.2 You and we agree that each party will have internal procedures and processes in place to record and monitor any Dispute for as long as the Dispute remains outstanding.

5.3 This Derivatives Compliance Schedule and any action or inaction of either party in respect of this Derivatives

Compliance Schedule are without prejudice to any rights or obligations the parties may possess in respect of each other under any Agreed Process or other contractual agreement, by operation of law or otherwise. Action or inaction by a party in respect of this Derivatives Compliance Schedule will not be presumed to operate as an exercise or waiver, in whole or part, of any right, power or privilege such party may possess in respect of each other under any Agreed Process or other contractual agreement, by operation of law or otherwise.
